OFFICE OF PETITIONS

In re Application of :
Anne M. Lia :
Application No. 10/693,266 : **ON PETITION**
Filed: October 24, 2003 :
For: PEPPERMINT ISOPROPYL ALCOHOL :

This is a decision on the petition under 37 CFR 1.137(b), filed December 9, 2004, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." No additional fee is required with any renewed petition. Petitioner is advised that this is **not** a final agency action decision.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice to File Missing Parts of Nonprovisional Application (Notice) mailed January 28, 2004. The Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on March 29, 2004.

A grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by: (1) the required reply (unless previously filed), which may met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute, but must be the payment of the issue fee or any outstanding balance thereof in an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)). This petition lacks item (2) above.

As to item (2), the fee for a petition to revive under the unintentional standard of 37 CFR 1.137(b) for a small entity is \$750.00. With the present petition, petitioner has only submitted

\$685.00. Therefore, an additional \$65.00 is required. Accordingly, a consideration on the merits of the present petition cannot be made until the \$65.00 fee deficiency is submitted to the Office.

Further correspondence with respect to this matter should be addressed as follows:
